

# There are a number of ways to save water and they all start with you

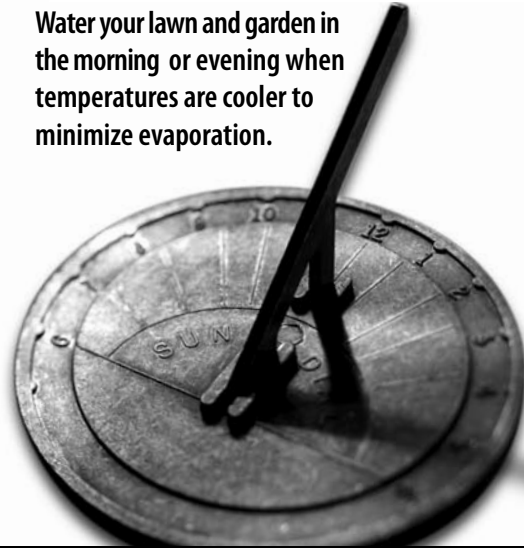

## **WATER-SAVING DEVICE #74**

Wash your car on the lawn and you'll water your lawn at the same time — or use a commercial car wash that recycles its water.

## **WATER-SAVING DEVICE #12**

Water your lawn and garden in the morning or evening when temperatures are cooler to minimize evaporation.

## **WATER-SAVING DEVICE #1**

Water conservation starts with you. For more ways to save water, visit [www.WashingtonDrought.org](http://www.WashingtonDrought.org) or call 800-468-0261.
